Mr. David Phillips
Engineering and Housing
Walter Reed Army Medical Center
Building 1, Room G-76
6825 16th Street N.W.
Washington, DC 20307-5001

Dear Mr. Phillips:

On June 13, 2003, I conducted aerial surveys for gypsy moth-caused tree defoliation at Walter Reed Army Medical Center, Forest Glenn and Glenn Haven sections of Walter Reed Army Medical Center. I am pleased to report that no defoliation was detected at, or in the vicinity of, your sites.

However, if you anticipate requesting either financial or technical assistance for gypsy moth control in 2004, please contact Brad Onken (304) 285-1546 or me (304) 285-1555 before August 22, 2003.

Please contact me at the above number if you have any questions regarding this aerial survey letter.

Sincerely,

RODNEY L. WHITEMAN
Forester
Forest Health Protection
